Scene 4 Field Combat Scene

Guide: Apparently it takes a lot of sweat and push-ups to “be all that you can be in today’s Army!” Corey and Kevin are living their dream as they train to defend the country they’ve come to love. But, more importantly, they have also come to love and serve Jesus, the Hero of all mankind, as they share their faith with Derek and Amy. Amy has been deceived into believing that just being good and doing good things that you can earn your way into heaven. But the Bible says “For by grace are you saved, through faith, it is the gift of God, not of works, lest any man should boast.”

Meanwhile the only thing harder than the Drill Sergeant’s discipline, is Derek’s heart. So... he turns away from God in anger and Amy turns away undecided...but they both turn away. I wonder if they would have done anything differently if they only knew what the future holds for them. Kevin, Corey, Derek, and Amy have been assigned to a special scouting mission. Their job is to seek out the enemy’s position and report back to the commanding officer. This sounds very dangerous, I hope they’re gonna be ok. Follow me. (Small children advised not to enter.)

Derek (leader) scouting out enemy on higher vantage point than Amy (medic), Corey (radio telephone operator-RTO), & Kevin (weapons specialist).

Derek gives hand signals to others regarding enemy information.

Corey: “Tango-Romeo-one-niner-two, this is Foxtrot-Delta-five-four-seven. How do you read? Over.”

HQ: “Foxtrot-Delta-five-four-seven, this is Tango-Romeo-one-niner-two, read you Lima Charlie. Over.”

Corey: Roger that, Tango-Romeo. SALUTE Scout Data – Message to follow.... Size - approximately two companies of men. Activity – full force moving out due southeast of our position. Location – Grid coordinates Foxtrot-Lima-one-niner-two-six-niner-six-one-four. Unit Designations- Mechanized Infantry, Air Apache Support. Type of weapons – rifle, grenade, mortar, large-caliber automatic rifle, antitank grenade launchers, surface to air and air to surface missiles. Equipment – four tanks, two helicopters, five armored personnel carriers.....”

(NOTE: SALUTE is an acronym for size, activity, location, unit, type of weapons, and equipment)

(Explosion or rifle fire. Derek is hit by enemy fire and falls from vantage point to ground)

Corey: “Tango-Romeo, Wait.....”

(Kevin moves to Derek’s position and assesses him. Shakes head as if Derek’s injuries are severe. Picks up Derek and joins others.)

Amy: He’s bleeding bad. (Kevin lays Derek down in front of Amy) We’ve got to get him to the aid station or he’s not going to make it.

Corey: (distressed) “Tango-Romeo, we have a man down. Request support and air transport. Awaiting grid coordinates for pick-up zone. Over.”

HQ: Foxtrot-Delta, this is Tango-Romeo. Your location is too hot. Air support en route to your position. Medevac impossible. Retreat to 34th Battalion Aid Station at grid coordinates Foxtrot-Lima-two-eight-one-seven-five-niner-six-three. Over.”

Corey: “Wilco, Tango-Romeo. Foxtrot-Delta out.”

(Scout team starts retreat. Corey and Kevin carrying Derek off scene. Amy is beside them holding the IV bag)

Kevin: C’mon, let’s move out!

(Gunfire/Explosion and Amy seen falling while exiting scene)

Corey and Kevin: “NO!”

Corey: “Tango-Romeo, this is Foxtrot-Delta. En route to 34th Battalion. We have another man down. Out.”

(Group travels through jungle/forest to Aid Station. Amy and Derek placed on litters in transition area.)
