## Scene 2

Guide: Well, that didn't go very well! That whole episode between Mr. Jones and his son Simon turned into a huge argument with neither one understanding what the other was really trying to say. Mr. Jones turns to his phone call and Simon turns to his video game but they both went to bed angry. Proverbs 29:22 warns against this when it says, "An angry man stirs up dissension and a hot-tempered man commits many sins."

It's a brand new day and as Simon heads to class, we will find that he's not the only one who's hurting.

---

(Bell rings and kids exit to go to their next class. Alexis is alone and in the back of the classroom obviously upset. Toby comes in and notices her)

Toby: Hey Alexis, how are you doing?

Alexis: Not good, Toby.

Toby: You haven't told your parents yet have you?

Alexis: No, But I have to soon. I'm starting to gain weight and I have a hard time eating without throwing up. I told Mitch, he said I should just "take care of it," if you know what I mean. He has no concept of love. He thinks of this baby as a big mistake. I don't know what I am going to do.

Toby: I am so sorry for what you're going through, but Alexis, you've got to have the baby. There are places, even at my church, where they help you with all of the medical expenses and then place your baby in a good home if you don't want to keep it. I know this, that God loves you and He loves your baby. I can promise you that God will be with you no matter what. Alexis, God is what you are missing in your life. Even when Mitch doesn't understand, God does.

Alexis: Toby, God can't forgive me. Look what I've done with my life. I've not only messed up my life, but my bad decisions are affecting even this little life that is inside of me.

Toby: Alexis, we all have messed up our lives in one way or another. We're all sinners. The Bible says, if we take our sins to God and tell Him about them and ask Him to forgive us, He will. He can do that because His Son, Jesus, died on the cross for all people. If we invite Jesus into our lives, then He comes in and cleans us up, just as white as snow. His blood covers our sins and He doesn't remember them anymore..

Alexis: Is that true? Is that possible?

Toby: Yes!! God promises that.

Alexis: O.K. Toby. What do I have to do?

Toby: Let's pray right now.

Alexis: I don't know how to pray. Could you help me?

Toby: Sure. Repeat after me. Dear Lord Jesus (Alexis repeats this prayer after Toby) I know that I am a sinner and I can't save myself. I repent of my sin and ask you to come into my heart and save me. I want to live for you. I surrender my life and my all future plans to you. In Jesus name, Amen.

Alexis: Toby, thank you so much, for caring for me and helping me. I feel so much better. I have hope now that everything is going to be O.K.

(At this point Simon enters the room and goes to where Toby is. Students begin to enter class. Mitch along with some other jocks come loudly into class.)

Mitch: Hey party people, what's up!

(Mitch walks by Simon and knocks his glasses off of his face and pushes his books off the desk onto the floor.)

Simon: (bitterly) Leave me alone! I told you that I'm tired of you always picking on me! (Simon picks up his journal)

Toby: Come on guys, leave him alone. He hasn't done anything to you. (Toby helps Simon pick up his books. Simon is obviously frustrated by all the taunts of the class)

Sabrina: Last night's party was such a blast! Lot's of drinking, dancing, and lots of really cute guys!

Brock: You ladies looked particularly hot last night but hey...you always do!

Tina: How do you know what we looked like last night? You were sooo wasted.

Brock: I think we all were, but I wasn't too drunk to notice all the hotties that were there.

Sam: Only the coolest at my parties. Hey Simon, why weren't you at my party last night? Oh yeah, (All three say this together) YOU WEREN'T INVITED! (Laughter)

(Dr. Carmichael comes into the room)

Dr. Carmichael: Good morning class. Sorry I'm late. The faculty meeting ran over. Get out your pencils, and a clean sheet of paper. I know all of you faithfully read this material last night and you know it backwards and forwards. So, it's pop quiz time!!

Students: "Awww, come on Dr. C!

Dr. Carmichael: Let's go! Get with it! (Dr. C begins handing out the quiz to the students as the group exits the room)
